**ANNUAL MAINTENANCE CONTRACT FOR COMPUTERS, SERVERS,  
PRINTERS, SCANNERS, NAS AND LOCAL AREA NETWORK**

Dear Sir,

1. Sealed Tender is invited for the services against the above mentioned category of the contract for the period **01 April 2024 to 31 March 2025**.
2. You may quote for the services to be rendered as per Annexure-A to C, One Rate, without preconditions. The Technical Bid and Commercial Bid should be sealed in a separate envelope and both the Bids then submitted in single envelope. All pages of the Tender form are to be stamped and signed.
3. Bidder can download the document and further amendments, from the IIC website (<https://iicdelhi.in>) and submit the same to IIC in a sealed envelope superscribing on it “Tender for **ANNUAL MAINTENANCE CONTRACT FOR COMPUTERS, SERVERS, PRINTERS, SCANNERS, NAS AND LOCAL AREA NETWORK**” so as to reach “Purchase Officer, India International Centre, 40, Max Mueller Marg, New Delhi 110003” on or before **23<sup>rd</sup> February 2024 at 17:00 Hrs**. Validity of quoted rates will be for 90 days.
4. Please note that the Centre reserves the right to accept or reject any of the Tender in part or whole or all the Tenders without assigning any reason, nor is it bound to accept the lowest quotation & to divide the same between a numbers of suppliers without any liability on its part.
5. Late, incomplete, conditional, false, fictitious tenders or Tenders without deposit will be summarily rejected. Submit your offer in a sealed cover addressing to Purchase Officer (IIC) as per the terms and conditions on Annexure-A and detail given in Annexure-B and along with your company profile, which may include your list of customers and technical strength in Server and Local Area Network support and other related credentials.
6. Computer Wing (24619381/2460383) may be contacted for getting apprised of our requirements or any other clarifications regarding specifications of machines and service required.

**TERMS AND CONDITIONS FOR THE PROVIDING SERVICES OF  
ANNUAL MAINTENANCE AND SERVICE CONTRACT (AMC)**

1. The vendor should have least 10 years of experience in Annual Maintenance and Service Contract (AMC) for domain involving Window Servers, Linux (Oracle) Servers on VMware, Desktops, and Printers and managed Local Area Network etc.
2. The vendor should have executed as AMC of 24x7, preferable in hospitality Industry and at least two current references with client list may be submitted along with quotation.
3. The vendor should have minimum company annual turnover of Rs. 2 crores. The company should have minimum 10 employees in their payroll. The documents may be submitted.
4. Sealed quotation is invited for the Annual Maintenance Service Contract of Computers and related hardware and system software as specifications and details given in Annexure-'B'. The rates of AMC should include cost of manpower deployment as per our requirements.
5. Technical and financial bid requires to be submitted separately. The technical document will be reviewed and vendor may be asked for a presentation on expertise / capabilities, if required. IIC team will visit the company's' office to assess their infrastructure.
6. The quotation and company profile will be reviewed and short listed supplier will be called for meeting for any clarification or negotiation.
7. The IIC reserves the right to retain or reject any or all quotations or to divide services among a number of vendors without assigning any reason and without any liability on its part; the vendors will have no objection to the same.
8. The IIC reserve the right to increase or decrease the quantities or delete any of the services/items mentioned in the list of prescribed format. (Annexure 'B')
9. The services under AMC shall be made strictly in accordance with the Purchase /Contract order and shall be within the time limit specified in the Purchase Order. In case the vendor/supplier fail to comply with specifications of the items/services; the IIC shall be free to void the Contract/Purchase order.
10. Services provided under AMC would be reviewed after every three months and payment will be made quarterly after successful service provided under AMC.
11. The suppliers/ their representatives or employees will be governed by the security rules at the IIC while providing services or supplying the items.

**DETAIL OF ANNUAL MAINTENANCE AND SERVICE CONTRACT**

For maintaining Computer and peripherals and Local Area Network under comprehensive Annual Maintenance Service Contract (AMC) following are required:

1. AMC is required for all machines listed at Annexure 'D' and troubleshooting of the Local Area Network of Main, Annexure and Library building and includes the following:
  - Maintaining and monitoring of Servers of Windows 2008/2019/2022 and Linux Ubuntu / Oracle Linux on OLVM, which runs for 24x7.
  - Windows ( 7,8, & 10) based Desktops are to be maintained to make sure that day to day functioning of Computers for smooth and trouble free operation.
  - Maintaining and troubleshooting of Local Area Network (LAN) which is spread across in four buildings i.e. Main Hostel, IIC Annexe, Administration and Conference block, operating for 24x7.
  - Repair and services of all kind of Computer peripherals (Mother Board, CD/DVD-ROM/RW, HDD, RAM, SMPS, TFT, Monitor, Mouse, Key board etc.)
  - This comprehensive maintenance contract will include replacement of all parts of the same make as found in the original in relation to all the hardware machines mentioned at Annexure 'D'
  - Repair and services of all kind of printers. AMC would cover replacement of printer's various parts i.e. switches, logic card, control panel, RD assembly, carriage assembly, bushes, gears, sprockets, rods, internal cables and all mechanical parts. Replacement of printer head, lamp, Teflon, knob, Fuser assembly and plastic body will not be part of AMC.
  - Repair and services of all scanners. Other than scanner lamp, all parts would be covered under AMC.
  - Troubleshooting issues of power supply to Computer through UPS.
  - Mean time to repair should be 4 hours. Spares parts must be made available on the same day. In case machine is not up within a working day, standby machine would be provided by the service provider at our premises.
  - Handling the Virus related matters (virus, adware, malwares, Trojans, intrusion prevention/ detection etc.) and their removals, up-gradation and protection to all Servers, Computers and Local Area Network.
  - Scheduled preventive maintenance would be undertaken once in three months and to be submitted along with the quarterly bill.
  - Configuring and installation and support of system software, utility software and Centre's application software.
  - A log book for all activities during AMC requires to be maintained.
  - Assisting in providing Internet Connection and E-mail facility to various departments and conference halls
  - Assisting in providing Wi-Fi facility to members in Hostel and Library of Main and Annex building. Wi-Fi facility is setup by an outside service provider.
  - Support beyond office hours, holidays and helping in administrative work of Computer wing relating to AMC IT services.
  - Training users in using computers and related equipment effectively.
2. Local area network spread across four buildings. It has got 14 D-Link to make manageable switches (One L3 and thirteen L2 switches) installed in 8 racks at

various locations for four buildings along with a UTM (SOPHOS) which requires to be monitored for 24 x7 and first-level troubleshooting is to be performed.

3. To run 24x7 IT operation at the IIC, it is imperative that vendor maintain the following inventory (as per make and models mentioned on Annexure 'B') at the IIC before commencing of the AMC contract.
  - a. Printers:- HP MFP printer, Laser printer, Epson DMP printer
  - b. Computers:- Desktop, LCD, Keyboard, Mouse etc.
  - c. Network Device:- D-Link L3, L2 switch
4. IT related services to maintain Desktops / Laptops, Local Area Network, Servers, printers and IT peripherals would be required for 24x7 as our operation runs day and night on all 365 days.
  - Two Resident Engineers (RE) requires to be deployed between 8 am to 10 pm. to make sure that daily IT related operation is smooth and error free for 24x7 and also to assist users, guests and members in consultation with Computer Wing.
  - Working hours of Resident Engineers may change as and when required. Support would also be required on holidays. Alternate arrangement is also to be made, if RE is on leave.
  - Manpower deputed should have minimum experience of 5 years in customer support in a large organization / PSU/ Hotel sector in handling IT related issues of support\ troubleshoot\ configure Desktops, , Local Area Network, Printers, Servers, Active Directory and SOPHOS Firewall etc. He should be minimum MCSE or equivalent qualified. IIC would ensure suitability of man power before he deployed at IIC under AMC contract.
  - Resident Engineers deployed at the IIC should not be changed during the AMC period, and the vendor should provide at least two months' notice if a Resident Engineer is changed. Any Resident Engineer that is changed without prior IIC approval will incur a penalty of 5% of the AMC bill raised during the period.
  - The vendor requires to submit Challans of PF and ESI deduction of manpower deputed at IIC along with quarterly bill. In case challans are not submitted, IIC will deduct the statutory levies and deposit with the concerned Govt. department.
5. Please find detail of machines attached herewith (Annexure 'D') which are to be covered under annual maintenance and service contract (AMC). Please refer remarks column for hardware warranty period with OEM.
6. It may be noted that for 5 HP Servers, 3 IBM Servers and 2 LIPI printers, IIC will procure a comprehensive care pack (AMC) of OEM separately. But vendor requires to support for software installation, configuration, troubleshooting and coordination with OEM for Servers and LIPI printers. All other machines will be covered under AMC, after their warranty is over with OEM.

*SPECIAL CONDITIONS OF CONTRACT*

1. The estimated quantities and the specifications are as per Annexure-'D'.
2. The Centre reserves the right to increase or decrease the quantities or delete any of the item mentioned in the list (Annexure-A). Whenever an item of particulars variety or an item not given in the tender is supplied, the amount therefore is paid by the Centre at the rates approved by it, keeping in view the prevailing market prices for such item(s).
3. The supplier shall supply the items on a day-to-day basis as may be ordered by the Centre. The Centre shall have the right to reject the whole or part of the supply in case the items supplied are not found not according to the specifications and quality, and the supplier has to make good the short supply within a period of three hours.
4. That the supplier shall be solely responsible for supply of the goods of the quality as prescribed under the Prevention of Food Adulteration Act 1954 if applicable to the item/s supplied and rules made there under and in case of the goods found adulterated the supplier shall be responsible for consequences thereof.
5. The supplier shall reimburse the Centre the fine etc. that the Centre may be required to pay on account of commission of any offence under the PFA Act 1954/FSSAI 2006 and any other Acts or rules made there under which may be attracted.
6. The supplier to pay to the Centre, in addition of the above, liquidated damages as found appropriate by the Centre, in case of breach of any enactment and / or rules which may be attracted.
7. The supplier shall be solely responsible for the observance and implementation of all such statutory conditions and laws, Central and / or State, including Labour laws as may be applicable to his workers and the IIC will not be responsible for any acts, omission or commission by the workers of the contractor.
8. The supplier shall indemnify and keep IIC indemnified against all losses, damages, claims, action taken against IIC by any authority in this regard.
9. If the suppliers fail to supply the required quantities/fully or partly, the same shall be purchased by the Centre at suppliers' risk and costs and the supplier shall have to reimburse the Centre the cost included for procuring the items/quantity along with the other expenses and damages, including the conveyance expenses for purchase from the market, which shall be recovered on the actual basis, from the supplier.
10. The Centre will give the supplier by 5.00 p.m. the list of items out of the items listed in the Annexure-A referred to above as order of items, and the same will be supplied before 1.00 p.m. the succeeding day, no matter the succeeding day is working day/Holiday/National Holiday.
11. Any items rejected on account of non-conformance to the specifications or any excess quantity brought in will be cleared from the premises with 24 hours, or otherwise, the Center shall have right to dispose them of as it may think fit without any compensation and at the supplier's risk and cost.
12. In case the supplier is unable to meet his commitment or it is found that the supplier is not supplying the estimated quantity according to specifications laid down or in the event of any non-compliance or breach of any clauses of terms and conations, the Centre shall have the right to forfeit the security deposit.
13. The Centre also reserves the right to terminate the contract for any reason whatsoever after giving 15 days notice in writing to the Vendor. Upon the termination of the contract, the account of the contractor shall be settled and the contractor shall have no right to make any further claim arising out of the termination of the contract.
14. **PAYMENT.** In consideration of the performance of the contract the Centre shall make payments to the supplier on monthly basis. The supplier shall make a list of the articles supplied during a calendar month along with its value and certified as correct and according to specifications by Executive Chef or any other officer as authorized by the Management of the Centre, and passed by the Accounts Officer of the Centre.
15. **SECURITY DEPOSIT.** 10% of value of contract amount will deposited by the successful bidders within 30 days of issue of work order/ purchase order. The security deposit will be submitted in form of Demand Draft/ Bank Guarantee.
16. The Centre reserves the right to extend the contract period beyond 31 March 2025 for a period of two months or beyond, on the same terms and conditions.
17. No negotiations in approved rates will be entertained during the tender period, for any reason, whatsoever.
